Clean Lake Initiatives – Adopt-A-Lake

- We have been testing on Lake Lanier since 2000

- 24 volunteers test 25 stations monthly, reporting on weather, water clarity, temperature and filtering a sample for chlorophyll a analysis

- Gwinnett County Water Resources conducts our chlorophyll a analysis

- The data is shared with EPD, University of North Georgia and others interested in Georgia water issues

- The most comprehensive and long lasting volunteer Adopt-A-Lake program in Georgia
